6th GAGF in Pesaro

Dear President of the Federation, Dear President of the LOC,

During different coordination meetings in view of the organisation of the 6th GAGF in the town of Pesaro, we informed you about a computerised inscription programme, provided by our global partner, SmartScoring, in order to simplify the management of the participants.

Unfortunately, as this programme is not yet ready, we are obliged to postpone its use for our Organising Committees to the next edition of this festival. We apologise for this late information and not being able to offer you this service.

The sports coordinator for this event, Claire Turner, is of course at your full disposal if you have any questions.

Thanking you for your understanding, we remain with kind regards,

UNION EUROPEENNE DE GYMNASTIQUE
